

# 10 reasons to choose Lund University School of Economics and Management

## LUND UNIVERSITY SCHOOL OF ECONOMICS AND MANAGEMENT ...

- ... is accredited by AACSB, EQUIS and AMBA. The triple accreditation, or the Triple Crown, is held by just over 100 business schools worldwide, and less than 1% of all business schools. Our Master's in Finance is ranked 37th in the world (No. 2 in Scandinavia) in Financial Times ranking of pre-experience programmes 2021.
- ... offers one of the widest ranges of master's degree programmes in the Nordic countries; many of which top the list of Sweden's most popular programmes.
- ... offers a truly international environment with more than 400 in- and outgoing exchange students yearly. More than 20% of the student body at LUSEM is international.

## LUND UNIVERSITY IS ...

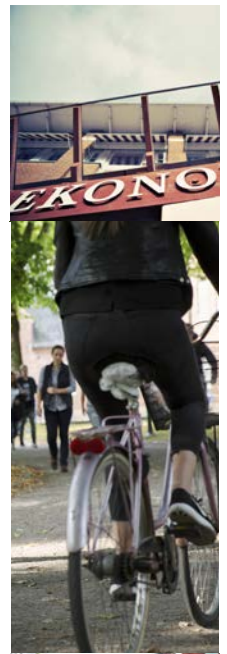

- ... highly ranked in many international comparisons of higher education institutions and has been consistently placed in the world's top 100 universities in recent years (among the top 0.4% of the world's universities).
- ... consistently the most popular Swedish university for international students applying to Swedish universities (national admissions statistics). Lund University attract students from over 130 different countries, creating an international campus.

## THE CITY OF LUND ...

- ... is considered the best student city in Sweden with the unique combination of traditional student nations (social clubs), an academic society and student unions organising events and activities year round.
- ... is only 10 minutes away from Sweden's third largest city and 40 minutes from the international airport in Copenhagen, making it a great hub for travel throughout Sweden and Europe.

## SWEDEN ...

- ... has the highest proficiency in English as a second language in the world – English is spoken by 90% of the population, allowing students to have a unique European experience without language barriers.
- ... is one of the safest countries in the world and ranked as one of the best in which to live.
- ... is ranked as one of the most creative and innovative countries in the world, has one of the highest levels of gender equality and is well known for its eco-friendly culture.
